In addition, to our regular catalogs, we will hold a minimum of two auctions, which will either include or specialize in coins, etc. The annual subscription cost to our auction catalogs including prices realized is $3.00. And we also publish fixed price catalogs on world paper money and the annual subscription cost is $2.00. Should you wish to subscribe to all three of the above the cost is $6.00. Airmail on any or all of the above, U.S. addresses (includes all 50 states, U.S. possessions, APOs and FPOs) cost is an additional $3.00. Airmail on any or all of the above, foreign addresses, cost is an additional $5.00. The names of non-subscribers may be removed from our mailing list at any time without notice.

All orders under $10.00 must include $.50 handling. The above also applies to overseas orders. However, we cannot be liable for items sent to countries that do not provide for insurance.

Applicable Texas Sales Tax must be included on all intra-Texas transactions. Texas dealers must furnish their permit number in order to be exempt from the tax. All prices quoted are in United States Funds.

All items are guaranteed to be genuine unless otherwise noted. All items except books and numismatic supplies are sent on five-day approval. Unless prior extension is arranged, all items must be completely paid for within fourteen days after their dispatch from our offices. After that a 1% per month interest charge will be added.

EIGHT REALES AND PESOS OF THE NEW WORLD

The references used to catalog these sections are: 1) Primarily Elizondo's Eight Reales and Pesos of the New World book, the first numbers being the code numbers, and the "T" numbers being the type. 2) Yeoman's Catalog of Modern World Coins book. This number is used to cross reference each Elizondo type. 3) When yeoman is not applicable, we are using Craig.

Elizondo's numbers are being used by all of the leading numismatists in the United States and abroad. Collectors without a second edition are urged to obtain a copy. The book is available from us at $12.50 postpaid.

COSTA RICA

Costa Rica 4 Real--6 pointed star w/9mm hole. The star emblem represented the new Costa Rican Coat of Arms and was used to authorize the continued circulation of foreign silver. The 4 Real coin of this series is of excessive rarity and we are unable to trace any record of previous sale. The coin is catalogued by Holland Wallace in his incomparable book on Central American coinage; also listed in the Gurdian book on Costa Rica. We suspect this coin is missing from nearly all advanced collections of Latin American coinage. In fact, we do not know of a 2nd specimen. The coin appears to have been worn on the chest by a chieftain or Spanish conqueror. Thus, the tiny holes at 9,12, and 3 o'clock. VF, RRRR 500.00
